

# Hotspot QuickStart Guide

## 1. WHAT'S IN THE BOX

Hotspot, Quick Charge Wall Charger, USB-C Cord

## 2. POWER ON THE HOTSPOT

If the device is not powered on, press and hold the power button on top of the device for about three seconds. This will power it on (repeat to power off).

*Note: It can take several minutes for your device to connect with the wireless network.*

If the device does not turn on, charge the battery. When the battery is fully charged, the battery icon will turn solid black.

## 3. CONNECT YOUR DEVICE

WiFi Name (SSID): **BPL Hotspot**

WiFi Password: **freetoall**

1. From your computer, display the Wireless Network Connections window, and then click **View Wireless Networks**.
2. Select the **BPL Hotspot**, click Connect, and enter your WiFi password: **freetoall**.
3. Launch your computer's Web Browser.

## Need Help?

Call Peak-Ryzex Customer Service at **800-931-5150**.

You may need to reference the Wireless Number or IMEI of the device. You can view this information on the sticker inside of the case or by tapping the 'Help' button on the home screen of the hotspot, followed by tapping 'Customer Support'.
